

THERMO ELECTRIC

Thermo Electric Company, Inc.

PRESS RELEASE

Management Committee

Jan, 14 2008

www.thermo-electric-direct.com

Thermo Electric (TE) is pleased to announce the formation of its Corporate Management Committee responsible for the oversight and day to day management of the company's operations throughout the world.

In addition to the members of the Strategic Management Committee; The Company President, Chief Operating Officer and Chief Marketing Officer, the Corporate Management Committee is comprised of the following TE professionals;

Lou Saia, Corporate Engineering & Technical Support Manager

Julio Morales, Corporate Planner

Ralph Vuoncino, Corporate Quality Control & Documentation Manager

Timothy R. Reynolds, Corporate Comptroller

The Management Committee is to meet weekly and is charged with the oversight of the daily operations of the Company. It is to evaluate and analyze issues ranging from appropriate staffing levels to production efficiency. Its main purpose is to collectively focus on the appropriate measures to improve production capabilities and customer service as TE continues to grow and to properly service its expanding worldwide customer base.
