

THERMO ELECTRIC

Thermo Electric Company, Inc.

PRESS RELEASE

Appointment of Gary Kloock

March, 2008

www.thermo-electric-direct.com

Thermo Electric is pleased to announce the appointment of Mr. Gary Kloock as the Company “Chief Operating Officer” (COO), a position that has been newly established to include the responsibility for the global management and oversight of the Company’s Procurement, Planning and Production activities.

Mr. Kloock comes to Thermo Electric after many years at Marlin Manufacturing in Cleveland Ohio where he served as its “General Manager”. He brings to the Company a superior technical knowledge in machining and production and is an expert in industrial procurement and machine design as it relates to the Temperature Sensing Industry. Mr. Kloock is charged with rationalizing and upgrading Thermo Electric’s global manufacturing capabilities.

In addition, in his new capacity as “Chief Operating Officer” Mr. Kloock joins the Company’s Corporate Management Committee, responsible for the day to day operations of the Company worldwide, as well as the Strategic Planning Committee, charged with the task of evaluating mergers & acquisition opportunities for growth and expansion beyond the scope of the company’s daily operations.

Reporting to Mr. Kloock will be the Company’s Planning, Procurement, and Manufacturing Managers at all Thermo Electric locations.

Mr. Kloock will report directly to the President of the Company.
