Thermo Electric (TE) is pleased to announce that in keeping with the Corporate objective to better serve our national and global customer base, the company has opened its newest facility in Cleveland, Ohio;

**Thermo Electric Company  
12240 Plaza Drive  
Cleveland, Ohio 44130  
Telephone # 216 - 712-4730  
Fax# 216-712-4731**

Thermo Electric, Cleveland (TECL) is established to serve the growing customer base of Thermo Electric customers in the Midwest region and to house the operations of our new "Corporate Buyer's Office" which will conduct Company wide procurement for the entire TE network of facilities.

The location of Cleveland was chosen due to its centrality in the Midwest Region and due to the large number of suppliers that currently serve Thermo Electric. The facility will be dedicated to the manufacture of sensors targeted to the local market and will be fully integrated into the Company's North American Operations.
