**Thermo Electric Canada Ltd.
(TECA)**

THERMO ELECTRIC is pleased to advise that Mr. Stephen Bond has joined Thermo Electric Canada (TECA) as its new Planning & Production Manager. Mr. Bond comes to TECA after many years of experience in various Canadian Manufacturing Companies, a professional background in Electrical Engineering and a strong resume in Quality Control and computer/system skills. In that capacity Steve will report to Gary Kloock, Thermo Electric's Chief Operating Officer.

In addition, Steve will assume responsibility as the TECA "Administrative Manager" and in that capacity he will report to the President of the Company.

On behalf of all members of the TE Staff we wish to welcome him to the Thermo Electric Family and wish him well in his new endeavors.

Steve can be reached at: sbond@TE-direct.com
