Relocation of TE INDIA Pvt. Ltd.
October, 2011
www.thermo-electric-direct.com

Thermo Electric Company Inc. (TE) is pleased to announce the relocation of its Indian Subsidiary to its new locale in Manesar, Gurgaon India;

TE Thermo Electric Company India, Pvt. Ltd,

PLOT NO. 362, SECTOR-7 (PART II)

IMT MANESAR - 122050

GURGAON, HARYANA, INDIA

TE Thermo Electric Company India, Pvt. Ltd, is a subsidiary company of Thermo Electric dedicated to providing the finest in quality temperature sensor products under the Thermo Electric name.

The new facility remains in the National Capital Region of Delhi within close proximity of India's international airport and the many Engineering firms located in the Capital Region.

**Jaspreet Singh, our Regional Marketing Manager;
Salil Saluja, our Manufacturing Manager, and;
Harpreet Singh, our Sales & Operations Manager**

remain in place as our Thermo Electric PVT Management Team eager to serve our growing customer base both in India and around the world.

With the addition of our Indian subsidiary Thermo Electric has added its fifth distinct operating "currency"; Indian Rupee. With the addition of Rupee Thermo Electric is the only sensor manufacturer in the world that actively conducts business in five different currencies; USD, Euro, Pound Sterling, Canadian Dollar and Indian Rupee. Our modern and centralized treasury function makes it possible for any TE company to conduct business in any one of the five currencies thereby enhancing our service capabilities to all of our customers around the world.

October 2011,
